

CHURCH OF ST. JAMES ALTAR SERVER MINISTRY

Mark your calendar.

It is your responsibility to get a substitute if you are unable to serve as scheduled.

Due to low enrollment for the 8AM mass, adult volunteers will be used as noted.

Please note that this schedule is being distributed via mail and email (for those who provided addresses). Future schedules will be distributed via email only except for those for which we do not have email addresses. If you misplace your schedule, it is always available on the parish website.
