

September XX, 2007

Dear Parents,

I look forward to teaching your child's religion class this year. Any information that you can share with me regarding your child will help me make this a wonderful learning experience. I am also interested in finding out about any medical conditions or allergies that would help me plan any lessons or celebrations that we will have during the course of the year. I understand that any information that is shared with me will be treated as confidential. My hope is for all the children in my class to have a year that is enjoyable. Please return this completed form with your child to the next CCD class.

Sincerely,

Jane Smith
